Chase

TRANSPORTING CHASE

Weight Range: 850 - 1200 lbs

Tongue Weight Range: 180 - 210 lbs

Chase Flyer is the micro-lite camper that changed the way people look at camping. Chase makes getting out and exploring even the most rugged terrain easy and it can even be towed with a small car. Built to last a lifetime and create a lifetime of memories, where will you Chase your next adventure?

Pursue

TRANSPORTING PURSUE

Weight Range: 1000 - 1550 lbs

Tongue Weight Range: 250 - 350lbs

Pursue Flyer takes micro-lite camping to new levels. Small in size, big on features, Pursue is slightly larger than the Chase Flyer. The available slideout kitchen sets up in just seconds...Pursue was designed to give you and your family more time to enjoy the outdoors and less time setting up camp. Are you ready to Pursue your next big adventure?

3 YEAR WARRANTY

3/1 YEAR TRANSFERABLE STRUCTURAL WARRANTY

At inTech, we introduced the industry's first transferable warranty. We believe we should warranty the trailers we build, regardless of who owns it. So if you ever find yourself in a situation where you are selling your trailer before your warranty period has expired, you can sell your trailer with confidence. Any remaining time on your warranty can be transferred to the new owner at no cost and by simply contacting inTech RV within thirty days of the sale and registering the transfer with inTech RV. This translates into a higher resale value because the new owner can purchase with the same confidence that you did!

LET'S GO CAMPING!
